Dear Parent/Carer

We are pleased to offer our students in Year 7 the opportunity to visit Flambrough Head and Hornsea on the Holderness coast for a day of fieldwork.

Students will be required to work in small groups collecting data and will be required to work between the cliff face and the sea. The trip is designed to encourage our students to participate in the more “hands on” aspect of the subject and develop their geographical investigation skills.

The trip will take place on **Monday 15 July 2024**. We will depart the Heads Lane site at 8.45am and anticipate arriving back at school by 4.30pm, traffic permitting.

The cost of the trip is **£17.75**, this includes coach travel to and from school and insurance. Places are non-refundable once paid on Arbor.

Places on this trip are limited and will be allocated first come first served. If you would like your child to attend the visit, please complete the expression of interest form [here](#).

The form will open on **Friday 14 June at 6.00pm** and close on **Friday 28 June at 12.30pm**.

Please be aware that submitting the form does not guarantee your child a place on the trip. Attendance, attitude to learning and behaviour around the school will be considered when allocating places.

We will write to those who have successfully obtained a place with further details including payment methods.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mrs R Hill
Teacher of Geography
