Dear parent / carer

As part of our personal development activities, we are pleased to be able to offer your child the opportunity to attend a multi-school Year 10 Maths team competition which will be full of fun and engaging problem-solving questions.

The visit is designed to help students see the usefulness of Maths beyond the curriculum, to think of furthering their Maths studies in Key Stage 5 and beyond, and to allow them to have fun with Maths.

The event will take place on **Wednesday 19 March 2025** at Winifred Holtby School, Midmere Avenue, Leads Road, Hull. We will travel to and from the venue via the school minibus which will leave the school site at approximately 11:15am and will return for 3:30pm, traffic depending.

Students will require a packed lunch and should be in full school uniform. Please avoid nuts, seeds, and shellfish in the packed lunches due to an allergy.

Whilst there is no cost to you for this visit, your consent will still be required for your child to attend by **12:30pm** on **Friday 28 February 2025**. To do this, please log into the portal and search for Activities/Trips. By doing this, you are consenting to your child attending this trip.

If you have not yet activated your parent portal account, please click [here](#)

Yours faithfully

Miss S Bedford
Assistant Head of Maths
