Dear parent / carer

We are excited to let you know that we are able to welcome FEO back into school as in previous years, offering a small number of students the opportunity to participate in an FEO Next Generation Day. The day is a fantastic day offered by successful entrepreneurs within the local area who will share their experiences of running their own business and giving students the opportunity to experience being an entrepreneur for the day.

The date of the event is **Thursday 3 October** and students taking part in the day will be off timetable and working alongside the entrepreneurs and competing in an enterprise challenge.

Students will also be working in small groups, developing, with the support of local entrepreneurs, a business idea for a given concept. Students will then be offered the opportunity to present their ideas to the entrepreneurs.

Tutor, break and lunchtime will run as usual, and the day will finish at the normal end of the school day to enable students to access their normal travel arrangements.

We expect that students will display our high standards of behaviour throughout the day and any students who do not follow this, risk being removed from the event and will return to lessons.

If you have any questions about the day, please contact do not hesitate to contact me.

Yours sincerely

Mrs L Smith
Head of Department – Business and ICT
