Dear Parent/Carer

As part of our commitment to make maths exciting and high profile in our school, children in KS2 are taking part in a friendly competition involving schools in England. The competition runs from 7:30am on Tuesday 12 November 2024 to 7:30pm Thursday 14 November 2024. It's all done online via [Times Tables Rock Stars: Play](#)

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition, as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes daily between 07:30 GMT and 19:30 GMT between Tuesday 12 November and Thursday 14 November 2024. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

Times Tables Rockstars will award prizes to the top three classes across the whole competition and as a school, we will be celebrating class and individual achievements.

We hope you will support your child in this fantastic and friendly competition.

Yours faithfully

Miss L Dinsdale
Maths Lead/Year 4 Teacher
