**Primary Vision and Values Survey**

Dear Parents/Carers

As part of our ongoing commitment to fostering a positive and forward-thinking environment at our school, we are planning to update our vision and values. Your insights and perspectives are invaluable to us, and we believe that a diverse group of voices will help us create a vision and set of values that truly represent our school community.

The first step of the process is to ask all stakeholders what the most important value is, in their opinion. Therefore, we would be grateful if you could complete [this form](#) to answer the question.... What is the most important value we need to have in place at Penshurst Primary School?

Thank you for your dedication and support.

Yours faithfully

Mrs M Preston  
Head of School
