Dear Parent/Carer

We are excited to inform you that we have organised an educational visit to Woldies Lavender and Nature Farm in Malton.

During the visit, the children will have the opportunity to take part in a wide range of outdoor activities such as nature trails, den building, nature gardens and a Queen Bee quest. We have also been fortunate to secure each child a place on Woldies miniature railway which will take them on a whistlestop tour around the lavender farm.

The visit will take place on **Monday 17 June 2024**. We will leave by coach at 8.30am and return to school at approximately 3.00pm, traffic permitting.

This trip will be partially subsidised by the PFA and the remaining cost will be £15.00 per child. The cost covers all aspects of the visit including travel, the entrance fee and activities.

Children are not required to wear their school uniform, but we suggest something practical and comfortable as all the activities are outdoors. Please ensure the children have a waterproof jacket, wear sensible shoes and bring a hat; ensuring that suncream is applied before school should the weather require it.

If you would like your child to attend the visit, please complete the consent form [here](#) by **12.30pm on Friday 14 June 2024**. Unfortunately, if consent is not received by this time, your child will not be able to take part in this trip.

Children will need to bring a packed lunch and plenty to drink throughout the day. If you would like to order your child a packed lunch from the school, please indicate on the form above.

We look forward to a fantastic trip with the Year 2 children.

If you have any questions, please contact your class teacher.

Yours faithfully
Year 2 Team
