Dear Parent/Carer

As you are aware, in the Early Years Foundation Stage (EYFS) you have access to an online platform called **Tapestry**. This has been used throughout Nursery and Reception to share all the lovely learning experiences we have shared together.

As a school, we regularly check the system to monitor activity and have noticed that several accounts have not been accessed since January. If you are struggling to access your account, please speak to a member of staff in the Reception class. We would like to ensure that you have access to your Tapestry account during the Summer Term, as this is where your child's end of year report and learning journey will be published.

When your child returns to school in September in Year 1, your Tapestry profile will be deactivated. Once this is deactivated, you will no longer be able to access your child's report or learning journey.

If you have any queries, please do not hesitate to speak to a member of the Reception team for support.

Yours faithfully

Mrs G Johansson
